### Gerard J. Bowen Jr. Continues Series of Neighborhood Visits

Gerard John Bowen Jr, Republican candidate for the La. Congressional District 4 race, will continue his neighborhood visits in Springhill, on Friday April 25. Gerard will be in the neighborhood around Springhill High School beginning at approximately 4:30 pm.

This is the second stop in a series of neighborhood visits. Last weekend's visits in 2 Natchitoches neighborhoods were met with a positive response from residents. Many residents were grateful to have an opportunity to voice their concerns to someone running for Congress. In addition, Gerard collected approximately 50 more nominating signatures towards the 1,000 needed to get on the ballot for the September Congressional Primary.

“Unfortunately, the problem I’m running into with the petition is that many people aren’t registered to vote due to a lack of faith and confidence in the political process. This is the exact reason why I’m in this race. I want the average citizens to know that their concerns are being heard and that if they register to vote, we can change Washington one vote at a time, one Congressman at a time.”

After visiting Springhill this weekend, Gerard plans on future visits to Coushatta, DeRidder, Leesville, Rosepine, Many, Oakdale, Shreveport, and Bossier.
